

# TOWARDS A FUTURE FREE FROM AIDS

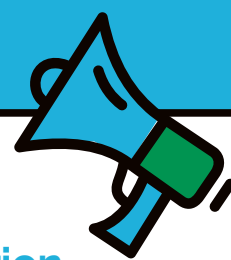

## FOR EVERYONE, EVERYWHERE

AIDS is not over. Our mission is to break down the social, political and legal barriers that marginalised people face.

Our Frontline AIDS partnership commits to working together on 10 critical actions to deliver on our Global Plan of Action 2020-2025.

### SPEAK TRUTH

- 1 Improve access to comprehensive HIV prevention services, including comprehensive sexuality education and harm reduction
- 2 Secure integrated testing, treatment and care for HIV-TB/HIV-hepatitis C

### UNLOCK BARRIERS

- 3 Prevent and respond to violence
- 4 Document and respond to human rights violations
- 5 Challenge harmful and discriminatory social and gender norms

### INVEST IN SOLUTIONS

- 6 Innovate, evidence and promote tailored, sustainable and inclusive prevention, treatment and care programmes
- 7 Create tailored economic and educational opportunities for people living with HIV
- 8 Invest in and advocate for mental health services for people living with HIV

### BUILD A SUSTAINABLE FUTURE

- 9 Strengthen community and national health systems and structures
- 10 Develop a new generation of leaders and activists
